

Did you know your kids can access:

- Pornography through your Kindle Fire?
- Unfiltered internet content through a simple App like Tic Tac Toe?

The Online Sexual Minefield: Keeping Your Kids Safe

- ✓ Hear about trends and red flags, plus watch a live demonstration on how to set-up parental controls on iPhones and more.
- ✓ Discover how to help your kids make the right choices online, and learn practical ways to talk to them about sex.
- ✓ Receive a free tech safety guide.
