Ethiopian Water – 5 Peak Challenge Hike Fund Raising Request Form Dec. 26th, 2016

This spectacular and challenging day hike will raise funds for a fresh water well in an Ethiopian Village that does not have one. The hike is known as the "**5 Peak Challenge**" and includes Cowles Mountain, Pyles Peak, South Fortuna, North Fortuna and Kwaay Paay peak. This event will feature breath taking, 360 degree views of San Diego from Downtown San Diego all the way up to North County. A must see and do for those who live in San Diego!

If you cannot attend the hike, you are welcome to participate by sponsoring someone else. The funds received will be applied by LifeSpring Center, a 501(c)(3) organization, towards *Living Water's* Ethiopian water well projects.
