WILD/Water Well – Grand Canyon Hike Fund Raising Request Form March 24-25, 2018

This challenging, one day, 19-mile W.I.L.D. winter hiking trip will leave from the South Rim of Grand Canyon National Park on the South Kaibab Trail. A separate 13 mile option is also available. The views from this trail are framed by massive cliffs as we descend toward the Colorado River and back up on the Bright Angel Trail.

If you are unable to make the event, you are welcome to participate by sponsoring someone else. The funds received will be applied by LifeSpring Center, a 501(c)(3) organization, towards *Living Water's* water well projects.

Donors: Thank you in advance for your support of this initiative. We appreciate your generosity. Participants will collect the pledged money following the end of the event. Please notify us by email or fax if you need a receipt for tax purposes. You may email your request to: mail@rcacounseling.com, or fax in a written request to: 619.298.5235
