## Grand Canyon Backpacking Trip April 23-26, 2020

This spectacular and challenging trip will raise funds for a fresh water well in a village that does not have one. This spectacular W.I.L.D. backpacking trip will leave from the South Rim of Grand Canyon National Park on the Bright Angel Trail. The views from this trail are framed by massive cliffs as we descend toward the Colorado River. This is considered a must see for hiking and camping enthusiasts.

If you cannot attend the trip, you are welcome to participate by sponsoring someone else. The funds received will be applied by LifeSpring Center, a 501(c)(3) organization, towards this project.
